I don't have any comments on the AOC, but have weighed in on some of the questions Sharon posed. I also do not have any comments on the SOW. Good job all. Thank you.

Subject: Revised Settlement Agreement

Hi,

Attached is a revised draft of the NCHGW settlement agreement taking into consideration everyone's comments. I have attached a clean version and a compare from the opening draft. Please ignore all the formatting and paragraph numbering issues. I'll deal with them when all the changes are made. There are still a few questions or things we are waiting on in comments. Nickie would like to send this back to them along with the SOW so we will hopefully be able to get this out by the end of next week. Today is my last day in the office this week. I'm assuming most everyone will be out on Friday.

Have a wonderful holiday everyone!
Sharon
